Since the publication of the Draft Amendment 2 to the Consolidated Highly Migratory Species (HMS) Fishery Management Plan (FMP), July 2007, commenters have noted a number of errors. This document corrects the errors that have been found in the Draft Amendment 2 to the HMS FMP as of October 23, 2007.

Chapter 2

- Page 2-4: Recreational Management Measures: Blacktip and scalloped hammerhead sharks should be added to the list of currently authorized species and smooth hammerhead sharks should only be listed once.
- Page 2-6: Recreational Management Measures: The spinner shark should be removed from the list of authorized species.
- Page 2-7: Recreational Management Measures: The spinner and silky sharks should be removed from the list of authorized species.
- Page 2-10: Recreational Management Measures: The spinner and silky sharks should be removed from the list of authorized species.
- Page 2-14: Recreational Management Measures: The spinner shark should be removed from the list of authorized species.
- Page 2-15: Table 2.1 Overview of alternative suites: Recreational Measures for Alternative Suite 2 should have spinner shark removed from the authorized species list.

Chapter 4

- Page 4-2: In the last paragraph on this page, blacktip and scalloped hammerhead sharks should be added to the list of currently authorized species and smooth hammerhead sharks should only be listed once.

- Page 4-40: Table 4.8 List of recreational sharks that could be harvested under the different alternative suites: The spinner shark should be italicized in the LCS category of the first column. The common thresher should be added to the Pelagics list in each column.
- Page 4-40: In the last paragraph, spinner and silky sharks should be added to the list of previously authorized species that would no longer be allowed to be possessed by recreational anglers.
- Page 4-55: In the text at the top of the page, spinner sharks should be added to the list of species in the parentheses.

Chapter 6

- Page 6-14: Recreational Measures: In the last sentence of this paragraph, spinner sharks should be added to the list of species in the parentheses.
- Page 6-20: Recreational Measures: In the last sentence of this paragraph, spinner sharks should be added to the list of species in the parentheses.
- Page 6-25: Recreational Measures: In the last sentence of this paragraph, spinner sharks should be added to the list of species in the parentheses.

Chapter 7

- Page 7-3: Table 7.5 Economic analysis of expected effects of each alternative relative to the baseline: In the Net Economic Costs column, the number in the last sentence should be changed from six to eight.
- Page 7-5: Table 7.5 Economic analysis of expected effects of each alternative relative to the baseline: In the Net Economic Costs column, the number in the sentence that begins with tournaments, should be changed from six to eight.
